ABOUT S.A. ENGINEERING COLLEGE

S.A.Engineering College was established by the Dharma Naidu Educational & Charitable Trust in the year 1998 - '99 in accordance with the general policy of the Govt. of Tamil Nadu to give high priority to Technical Education. The campus is spread over a vast area of about 42 acres and has 2.25 lakh sq.ft of constructed area which includes class rooms, drawing halls, laboratories, workshops and associated facilities. In recognition of the quality system of high caliber being implemented for the administration of the institution and achievement of its goals, m/s. TUV NORD have recorded ISO 9001: 2015 certification. The institution has NBA Accredited Departments and NAAC "A" Grade certification. The College offers the 8 Undergraduate courses in Engineering, 4 Post Graduate courses in Engineering, Master of Computer Applications (M.C.A) and Master of Business Administration (M.B.A).

About the Conference:

The conference aims to provide unified platform for multi disciplinary research. The scope of the conference is to provide an opportunity for researchers, Faculty members, UG and PG students of Academic and Research Institutes to share their findings and improve their knowledge in emerging technologies. Authors are requested to submit the abstract by scanning the QR Code given in the brochure or by visiting the link given in the conference website before the deadline.
